UPDATE

On Pastor James

Dear Apopka church family, we praise the Lord for his infinite mercy and his protection, even in times of trouble. As most of you know, Pastor James Johnson was involved in a serious biking accident last Monday, morning, October 19. He suffered a broken collarbone, many broken ribs, and a pneumothorax. After surgery, he is now recuperating at home. We praise God for protecting Pastor James from even more serious injury, and we continue to pray for his complete recovery. We were happily surprised in our prayer meeting on Wednesday when he connected with us for a few minutes to tell us that his surgery went well. As Pastor James continues to get well, the special event announced for Sabbath, October 24 has been rescheduled until further notice. Once again, we hold on to the promise of Psalm 46:1. "God is our refuge and strength, an ever-present help in times of trouble."

NEWS

Prayer Meeting, 7 PM, Wednesday

SALT Outreach Inc. is an SDA, young adult, grassroots nonprofit organization created to engage people for service in their communities. Their largest outreach project is for the homeless of downtown Orlando in which they provide showers through a mobile shower trailer, clothing and hygiene products, haircuts, and food.

SALT just made a down payment on a laundry trailer with six washers and six dryers. They will be donated an electric bus which will also provide storage services to the homeless. SALT Outreach is the only mobile drop-in center for the homeless in Florida, and it is the only organization providing these basic needs to the homeless in downtown Orlando.

By God's grace, SALT received \$140,000 from the City of Orlando to operate during COVID-19, and received an additional \$250,000 grant from the city of Orlando to cover costs through September 2021. This is only the beginning, as SALT aims to duplicate this model and provide these services in every major city that needs them!
